

INSIGHTS

OCTOBER 2018

Quarterly News & Happenings from **axway** 

I am delighted to introduce the inaugural edition of the Axway INSIGHTS newsletter for Australia and New Zealand. Our objective is to keep you updated with industrial topics such as Open Banking, GDPR, One Touch Payroll, etc. It will also bring you the latest on Axway's Amplify platform, the home of API Management, SecureTransport, B2Bi, and Syncplicity. You will also be kept abreast of events by Axway as well as our growing partner networks in ANZ.

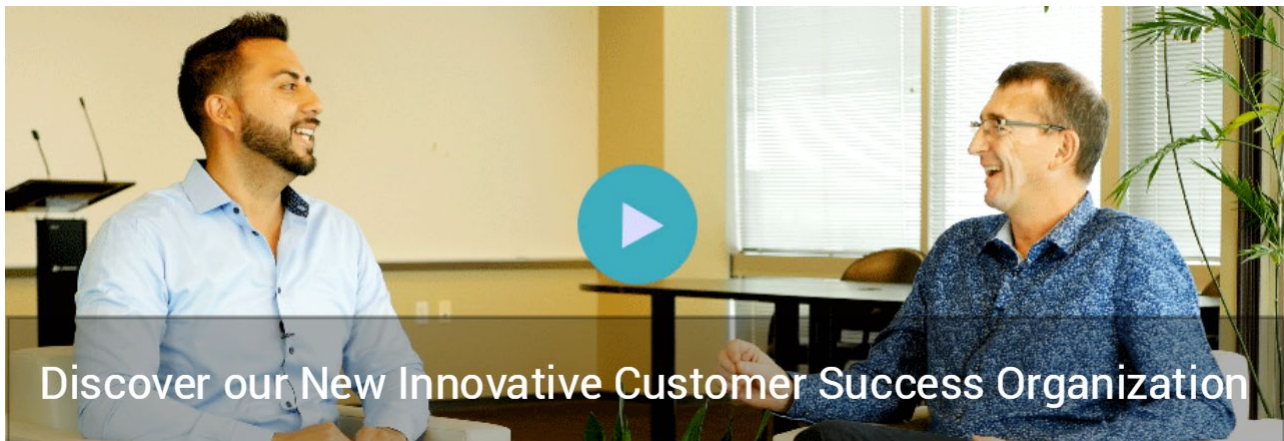

I hope you will enjoy the articles that we put together for you, and we welcome any feedback to help us improve.

Regards,

John Lee
