

# INSIGHTS

OCTOBER 2018

Quarterly News & Happenings from **axway** 

Welcome to this inaugural issue of our Axway INSIGHTS Newsletter. In this issue, you will find great articles on Axway Hybrid Integration Platform, Open Banking which would be of interest as we embark on our journey together. You will also find a video discussing how we transformed Axway to focus on your success, as our customer.

Enjoy and we appreciate your feedback!

Regards,
