Axway Amplify Product Privacy Notice for the integrated component Lighthouse

Please read this Privacy Notice carefully to understand Axway policies and practices regarding how personal data may be collected and processed through Lighthouse, and how the product processes that data.

Lighthouse is an orchestration service for all services and products integrated with AMPLIFY. Lighthouse is responsible for receiving and validating usage reports. It will also be responsible for activation / deactivation of products in future.

This privacy notice covers the Lighthouse component as integrated in the Amplify platform.

SCOPE OF THIS PRODUCT PRIVACY NOTICE

This Privacy Notice applies solely to processing of personal data through Lighthouse when you use the product.
Unless otherwise specified, this Privacy Notice does not apply to any other information processed in any other way (whether online or offline).

NO PERSONNAL DATA PROCESSED

There is no personal data processing through Lighthouse itself, even though personal data is processed through other components of your AMPLIFY platform, please refer to the corresponding Product Privacy Notice for personal data processing in other AMPLIFY components.

This product does not store personal user data. The files transferred by this product are created by customers, Axway has no control on content or storage of the files, this is up to the customer.

CHANGES TO THIS PRODUCT PRIVACY NOTICE

Axway will review and update this Privacy Notice periodically and will note the date of its most recent revision above. If we make material changes to this Privacy Notice, we will notify you either by prominently posting a notice of such changes prior to implementing the changes or by directly sending you a notification. We encourage you to review this Privacy Notice frequently to be informed of how Axway is collecting, using, retaining, protecting, disclosing, and transferring your information.
