

The Axway AMPLIFY Marketplace is a curated shopping experience that brings together Axway customers and partners, enabling them to co-create and exchange value. The Axway AMPLIFY Marketplace is full of service accelerator products, provided by Axway, Axway customers, and Axway partners, that enhance and augment Axway products and accelerates speed to market.

Example service accelerators

- Connectors
- Scripts and tools
- Templates and modules
- API and API definitions
- Dashboards
- Samples
- Policy and filters
- Services

ABOUT THE AXWAY AMPLIFY™ MARKETPLACE

MARKETPLACE.AXWAY.COM

01 Find, try, and buy with ease – accelerate time to market

Single place to find, try, buy, and manage subscriptions of high quality products provided by Axway, Axway customers, and Axway partners to accelerate your speed to market.

The AMPLIFY Marketplace provides the complete shopping experience with detailed product profiles, customer ratings, reviews, and Q&A forums.

02 Grow your digital ecosystem – open new business channels

Tap into Axway’s enterprise and developer ecosystems to open new channels by publishing your assets and services into the Axway Marketplace.

Make it easier for new partners and customers to connect and integrate with you by publishing assets such as

- APIs
- Mappings
- Connectors
- SDKs
- Services

03 For partners and developers – remove the barriers

Gain instant visibility for your products and services that enhance the customer’s Axway solution.

Simplifies the buying, and subscription manage process for the customer while also simplifying the selling, distribution, provisioning process for the partners and developers.
